Respected Sir/Madam,

I am writing this letter to you to apply for the position of Software Trainee in your company Ontum Education. I came across the position via College Placement Bureau and wanted to apply for the same.

Currently I am Pursuing Bachelor of Mechanical Engineering holding a total CGPA 7.10 CGPA and also completed Diploma in Mechanical Engineering with 71% also 10th with 76.96% at State Board.

I have done Internship at HMT Machine Tool Complex, Bangalore, where I have learned valuable skills on Machine Operating and CNC Coding. I have Interest toward Machine Designing. I am very Excited to learn Programming. I am quite Expert at Microsoft Office Tools.

In my Diploma Education I have done a Project called 'Sheet Metal Cutter'. In my Graduation, I have done a Mini Project called 'Pedal Operated Juicer'. Currently I am working on Major project called 'Formation of Bacterial Biofilm for Dental Application.

I am quiet expert at Playing Badminton. Moreover, I am Serving as Hostel Secretary at Student Council and Member at Startup Club of Our Respected College. My Interest lies with Playing Badminton, Puzzle and Rubik Cube Solving. I know 2 Languages English and Kannada.

Thank you for your time and for considering me as a candidate. I have mentioned my contact number and email id in my resume and will send a follow-up email next week if further information is required.

Yours sincerely,

Harshith B S
